Summer Appointments Greater than 50%

The maximum Assistantship appointment for Fall, Winter, and Spring Quarters is 50%. Appointments greater than 50% are allowed during Summer Quarter only, up to a maximum appointment of 90%.

Eligibility for assistantships during Summer Quarter is no different than for other quarters, except that the enrollment requirement (minimum of 8 units enrollment) becomes 1 unit in the Summer Quarter.

Tuition Allowance for Summer appointments of 50% or less is described in the table above.

For information about Tuition Allowance for Summer appointments greater than 50% and up to 90%, see the table for Summer TAL.

TGR students receive TAL equal to TGR tuition, and that amount is charged entirely to the source of salary funding.

* Separately, 10% and 40% appointments do not provide tuition allowance sufficient to cover the corresponding 1,2,3 and 8,9,10 Unit tuition rates. Combined though, they equal a 50% appointment and cover the 8,9,10 Unit tuition rate.
