<sup>1</sup> The MD program begins charging full tuition at 8 units, and the Law School programs begin charging full tuition at 9 units.

<sup>2</sup> Starting in 2010-11, the MD tuition structure changed. Students who started before 2010-11 will be grandfathered in the former tuition structure. Starting in 2010-11, MD students may elect a Research Rate for quarters in which they devote their effort exclusively to research.

**2. Summer Appointments Greater than 50%**

The maximum Assistantship appointment for Fall, Winter, and Spring Quarters is 50%. Appointments greater than 50% are allowed during Summer Quarter only, up to a maximum appointment of 90%.

Eligibility for assistantships during Summer Quarter is no different than for other quarters, except that the enrollment requirement (minimum of 8 units enrollment) becomes 1 unit in the Summer Quarter.

Tuition Allowance for Summer appointments of 50% or less is described in the table above.

For information about Tuition Allowance for Summer appointments greater than 50% and up to 90%, see the table for Summer TAL.

TGR and Research Rate students receive TAL equal to their TGR or Research Rate tuition, and that amount is charged entirely to the source of salary funding.

\* Separately, 10% and 40% appointments do not provide tuition allowance sufficient to cover the corresponding 1,2,3 and 8,9,10 Unit tuition rates. Combined though, they do equal a 50% appointment and cover the 8,9,10 Unit tuition rate.
