* Separately, 10% and 40% appointments do not provide tuition allowance sufficient to cover the corresponding 1,2,3 and 8,9,10 tuition rates. Combined, they do equal a 50% appointment and cover the 8,9,10 unit tuition rate.

Summer Appointments Greater than 50%

The maximum Assistantship appointment for Fall, Winter, and Spring Quarters is 50%. Appointments greater than 50% are allowed during Summer Quarter only, up to a maximum appointment of 90%.

Eligibility for assistantships during Summer Quarter is no different than for other quarters, except that the enrollment requirement (minimum of 8 units enrollment) becomes 1 unit in the Summer Quarter.

% of time appointed	Hours of Work/Week	Units TAL Provides	Total Tuition	Charge to Source	University Contribution
60	24	*	8,160	6,610	1,550
65	26	7	7,140	5,783	1,357
70	28	6	6,120	4,957	1,163
75	30	5	5,100	4,131	969
80	32	4	4,080	3,305	775
85	34	3	3,060	2,479	581
90	36	3	3,060	2,479	581

Tuition Allowance for appointments greater than 50% and up to 90% will decrease proportionately as the appointment increases. All students with summer assistantships must enroll in a minimum of 1,2, or 3 units.

Wherever possible, summer appointments of over 50% should be established as single appointments, rather than a combination of smaller appointments so the TAL is calculated correctly.

* Similar to a 40% assistantship during the Academic year, a 60% Summer appointment will NOT provide the full tuition for a student enrolled in 8, 9 or 10 units.
