* Does not equate to a tuition charge; 40% plus 10% equals a 50% Assistantship and covers the 8,9,10 unit tuition rate.

Summer Assistantships Greater than 50%

The maximum Assistantship appointment for Fall, Winter, and Spring Quarters is 50%. Assistantships greater than 50% are allowed during Summer Quarter only, up to a maximum Assistantship of 90%.

Eligibility for Assistantships during Summer Quarter is no different than for other quarters, except that the enrollment requirement (minimum of 8 units enrollment) becomes 1 unit in the Summer Quarter.

* Similar to a 40% Assistantship during the Academic year, a 60% Summer Assistantship will NOT provide the full tuition for a student enrolled in 8, 9 or 10 units.

Tuition Allowance for Assistantships greater than 50% and up to 90% will decrease proportionately as the Assistantship increases.

Wherever possible, Summer Assistantships of over 50% should be established as a single Assistantship, rather than a combination of smaller Assistantships so the TAL is calculated correctly.

Regardless of the % of appointment, when a student has TGR status the assistantship always provides TAL at the TGR rate.
