The maximum Assistantship appointment for Fall, Winter, and Spring Quarters is 50%. Assistantships greater than 50% are allowed during Summer Quarter only, up to a maximum Assistantship of 90%.

Eligibility for Assistantships during Summer Quarter is no different than for other quarters, except that the enrollment requirement (minimum of 8 units enrollment) becomes 1 unit in the Summer Quarter.

During Summer Quarter, if a student has an Assistantship which will be shorter than the standard 3 month quarter, you can enter a "Termination Date" on the student's Assistantship pay line in GFS. This will pay the student at the same per-pay-period rate, but will shorten the period of time for which the student is paid. This should be done only in Summer Quarter in the case of classes that are less than a normal quarter's length.

¹Pay Period amounts are equivalent to the semi-monthly salary. Dollar variations are due to rounding. Amounts match the quarterly totals and per-pay-period amounts calculated in GFS.
